

To the Occupant

Dear Resident/Occupant,

RE: COMMUNITY CONSULTATION – PROPOSED RAISED PEDESTRIAN CROSSINGS, CYCLEWAY AND FOOTPATH EXTENSION – PARK AVENUE, CREMORNE

Council is seeking your feedback on a proposal to install two raised pedestrian crossings at the intersection of Park Avenue and Sutherland Street, Cremorne. The proposal responds to concerns regarding safety and accessibility, particularly for children returning from evening games at Cammeray Park.

The proposal includes continuing the cycleway across the road and extending the footpath on the western side of Park Avenue to align with the new crossing. These pedestrian crossings will enhance safety by reducing vehicle speeds, and the connected cycleway will improve accessibility for cyclists.

A sketch of the proposed changes is provided overleaf.

To accommodate the upgrades, one (1) on-street parking space on Park Avenue and two (2) on-street parking spaces on Sutherland Street will need to be removed.

To provide feedback on the proposal please complete the attached feedback form, and return it to Council by **Friday, 13 June 2025**. Alternatively, complete the feedback online at <https://yoursay.northsydney.nsw.gov.au/traffic-surveys>.

Please note: This is not a voting form, but it will help Council understand the level of community support for the proposed changes. All submissions will be considered; however, individual responses will not receive a reply.

For further information, please contact Council's Traffic & Transport Operations Department on 9936 8100 or yoursay@northsydney.nsw.gov.au.

Yours faithfully,

Pragya Sharma
TRANSPORT ENGINEER
