Civilscape Pty Ltd, North Sydney Council's contractor, will soon commence upgrade works at Lodge Road Playground (Lodge Road, Cremorne). This project includes the removal of selected existing equipment, the installation of new play structures, the addition of edging, sandstone boulders, and other natural elements, as well as the installation of organic and rubber safety surfacing and new park furniture.

The upgraded playground will be a vibrant hub for families, offering a range of engaging outdoor activities. The new play equipment will feature swings, climbing structures, slides, and other interactive elements, providing entertainment for children of all ages and abilities.

Site establishment activities will begin on Monday, 14 October 2024, with construction starting on Wednesday, 16 October 2024. The works are expected to be completed within 8 weeks, weather and other factors permitting.
