

# PROPOSED PARKING CHANGES

## Parking Relocated

## Parking Added

No net change to the total amount of parking in the area overall:

- -59 parking spaces are proposed to be relocated.
- +59 additional parking spaces proposed.

Proposed significant changes:

- +26 spaces added to Barry Street by converting to a one-way street northbound to offset spaces relocated from nearby on Yeo Street
- +15 spaces added on Cranbrook Avenue by reorienting parking to 45 degrees
- +7 spaces added on Spofforth Street after bus stops consolidated.
